

Rechtsanwälte Attorneys at Law

Law Experts Attorneys use their geographic and strategic position in the Heart of Europe with offices in Innsbruck/Tyrol, Telfs/Tyrol and Vienna. The focus of the law firm is on the provision of high quality legal services for corporate clients and business families. Law Experts Attorneys cooperate with other lawyers,

tax advisors, and academics within Europe and beyond. We think that specialization is the only answer to the increasing complexity of national, international and EU law regulations. Combining our expertise with the expertise of trusted partners provides our clients with the best possible advice.

We are specialized in:

“ Reliable legal advice requires specialist knowledge ”

Hannes Wiesflecker is Austrian and graduated in law from the University of Innsbruck. He also studied at the Universidad de Alcalá, Madrid, Spain and the Business and Management School of Lund University, Sweden. He is admitted to the Tyrolian Bar. Due to his extensive engagement with renowned international commercial law firms in Vienna, particularly in the areas of Corporate and Commercial Law, white collar crime, civil and arbitration cases, attorney Wiesflecker has a profound understanding of business issues. His special interests are International Law, Corporate Law, Transport Law, Contract Law and Real Estate as well as Litigation.

Stefan Gamsjäger is Austrian and graduated in law from the University of Innsbruck. He is admitted to the Tyrolian Bar. Attorney Gamsjäger has a profound understanding of administrative law. He worked several years at the Administrative service for the Austrian Government and The City of Telfs/Tyrol. As one of few Austrian lawyers, he completed the Austrian Administrative Service Exam at the Government of Tyrol. He taught these topics and Civil Law at the WIFI Wirtschaftsförderungsinstitut Tyrol for several years. Attorney Gamsjäger concentrates mainly on Building Law, Public Law, Property and Tenancy Law as well as Family Law, Inheritance Law and Succession.
